

SUMMARY PART VII "DO THE MATH"

"AT WHAT COST?"

FAST FACTS- USING MATH TO EXAMINE THE LIES OF THE 'VICTIM PIMPS,' HOW MUCH DOES THIS CRUSADE CURRENTLY COST AND WHAT WILL IT COST IF COPS ARREST AS MANY 'JOHNS' AS THE ABOLITIONISTS WANT THE COPS TO ARREST, PROSECUTE AND PUNISH (INCARCERATE)? WHO BENEFITS FROM THIS ABSURD CRUSADE? FOLLOW THE MONEY AND THE PEOPLE PUSHING THEIR AGENDA...

Now comes the difficult part of 'doing the math'- calculating both the financial and non-monetary costs of this 'end the demand' crusade to all those whose lives will be negatively impacted by the insane desire to stop adults from wanting adult companionship and sexual intimacy even if it is for pay... (the math is only difficult for those who think that it is possible to 'end the demand' by arresting the men, women and couples who use the services of adults who work in the sex industry)... What costs will be incurred by society as a whole and individuals in particular if we 'amp' up the crusade against consenting adult commercial sex? A look back in history at the prohibition of alcohol and the current 'war on drugs' shows what other areas of life will be impacted by the moral and social busybodies who believe that they have some special right to impose their values on everyone else regardless of the cost. How many innocent people have been collateral damage for the 'drug warriors' who go to the wrong house to execute a search warrant based on the dubious word of a 'confidential informant' - an individual who is allowed to continue to use/ sell drugs as long as he/ she continues to provide information on OTHER, NON INFORMANT folks who may or may not be guilty of the alleged crime?

We currently spend HUNDREDS of billions of dollars arresting, prosecuting and (usually) incarcerating **over one million people a year** [see part V-A page 5] for producing, selling, possessing and ingesting unapproved substances. Prisons and jails are overcrowded and often unsanitary, creating unhealthy conditions for people who will someday rejoin us in society. They will be filled with rage at the injustices inflicted on them because they were arbitrarily¹ selected to be arrested and punished for ingesting unapproved substances into their own bodies. Ironically they could have taken drugs (and probably DID) while incarcerated because the guards who were hired to watch over them frequently offer inmates more and better drugs than inmates could have purchased on the streets. It is much easier to control unruly inmates if they are not going through withdrawal. Unfortunately, the guards also ingest those same unapproved substances, usually without consequence.

The overcrowded conditions in prisons and jails have led to court cases which resulted in judicial rulings mandating the release of

many inmates early, including those whose crimes were violent. Now the prostitution abolitionists are demanding that we fill the prisons and jails with **non violent, non abusive men against whom no criminal complaint was filed**- other than by a law enforcement officer who no doubt entrapped the victim of the sting operation. If the crusade to 'end the demand' is to be 'successful' (which it will never be, as we know from countries like China, even though they execute 'pimps') - the demand has not diminished at all- and COPS in China, as in every other country where prostitution is illegal, 'protect' prostitution rings, in effect, becoming the 'pimps,' it would take the arrests of millions of 'johns,' including the very powerful and wealthy, the politicians, cops, judges, lawyers, preachers, priests, and all the other 'pillars of the community' who use the services of sex workers- before the average 'john' would get the message that he might be caught in the net, prosecuted and punished.

This poses several problems, as there are ONLY **626,796** state and local cops [see Part II A, page 10], many of whom are also 'johns' - and each cop can only make, on average, about 15 arrests per year² [see Part II A, page 10]... so, either we will have to hire a lot more- perhaps millions of cops- or we will have to stop enforcing all other laws and demand that the cops we currently employ work 24 hours a day, 7 days a week, no days off, no vacation, no donut breaks, nada. Even then, the likelihood of being able to apprehend more than a very small percentage of 'johns' is slim. How will cops decide which 'johns' to arrest and which to ignore? Perhaps the same way they now decide which sex workers to arrest and which ones to allow to continue to be 'exploited,' and that is by selectively enforcing the law against those 'victims' who do not provide the nice officers with sex, money or information. The cops are not going to ask the 'johns' for those things, rather-they will offer to NOT arrest the 'johns' of the sex workers, if the sex worker provides them with sex, money or information.

ANY INTELLIGENT HUMAN BEING CAN SEE THAT THIS COSTLY MORAL AND SOCIAL CRUSADE IS NOT SUSTAINABLE. IT IS UNCONSTITUTIONAL AND IMMORAL TO IGNORE THOSE REAL VICTIMS WHO HAVE ASKED FOR HELP, WHO HAVE FILED A CRIMINAL COMPLAINT AND WHO WILL NEVER SEE JUSTICE. THE PRICE IS TOO HIGH. END THE CRUSADE.
