

Follow the money \$\$\$\$ Who stands to profit from a crusade against commercial sex? Those who DO profit are "victim pimps"

The more 'victims' - child and adult- of sex trafficking that can be claimed by the 'victim pimps,' the more money they receive in donations and government funding.

To view the significant increases in donations and funding of non profit 'victim pimp' organizations like the **Polaris Project, Shared Hope, Not For Sale** and other 'faith Based' groups,

Besides the national organizations which receive huge grants from the federal government, there are the state and local non profit organizations across the country which feed off the 'sex trafficking' hysteria- Organizations such as "Redeemed Ministries" in Texas, where the founder, Dennis Mark, says "The biggest obstacle to rehabilitating the victims are the victims themselves... victims make it difficult to help them, they don't realize they are victims..." WTF?
