

COPS RAPE/ SEXUALLY EXPLOIT CHILDREN

This is former Newtonsville, **Ohio Police Chief Larry Casey**. He was convicted of having sex with a minor under 13 in 2010. At that time he was given **probation**.

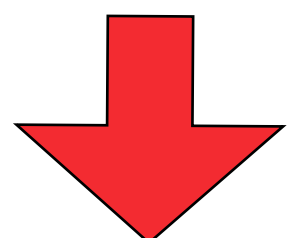

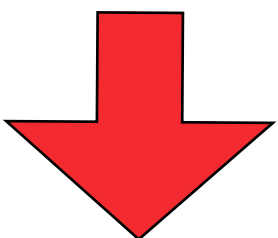

Although he lost his job, he didn't lose his appetite for minors, and was recently convicted of having sex with a different minor under 13. This time, he received a life sentence **with** the possibility of parole. How many years had he been raping children before he got caught? Pedophilia is a lifelong predilection and not something that suddenly begins late in life. As many studies indicate, those individuals whose sexual appetites include sex with minors or young children are seldom rehabilitated and receiving probation while leaving them free to access more children is hardly a way to stop such predatory behavior.

Ohio seems to have a number of pedophile top cops and a penchant for giving them probation when and IF they are caught and charged with a crime. Another such top cop from Ohio who got off with "community control" and no prison time was **Pike County Ohio Deputy Chief Clyde Franklin Sanders Jr. who plead guilty to raping a 3 YEAR OLD GIRL- TWICE.**

People who claim to be concerned for "the children" when it comes to 'sex trafficking,' don't seem to know or care much about the rampant problem of cops raping minors, sex workers and other men and women they encounter at traffic stops or who are inmates. When cops are given the most lenient sentences imaginable (***IF they are arrested, convicted and sentenced***) for the most heinous crimes, those who are demanding the arrest and harsh punishment for the non violent, non abusive clients of ADULT sex workers- *are ABSOLUTELY SILENT...*

WHY IS THAT?

**How many of these victims will it take
to make YOU care?**

Lowell NC Police Officer

← James Blair

Sept. 2016 A Lowell police officer has been arrested after being accused of impregnating a 14-year- girl...

Blair is charged with one count of statutory rape and more charges will follow, officials said. His bond was set at \$1 million.

"My heart was broken," the girl's mother told Channel 9.

She said Blair volunteered to mentor her children. She said she was reluctant at first, but then agreed to it because he was a police officer.

Blair and the woman's daughter had been texting on her phone, the mother said. She said she then discovered text messages indicating that he took advantage of her daughter..

"He tore my life apart," the mother said.

She said the veteran officer came to her home asking to connect with her 14-year-old daughter, who had run away before, and her sibling.

"To show them, **'Hey, policemen are good,'**" the mother said.

Blair would visit often and even took them on a trip.

Then the mother discovered text messages that indicated her daughter was pregnant and that Blair was the father.

One of messages, which is in the hands of the SBI, states, **"If you keep that baby I'm done and you know it."**

Another said, **"Do whatever you wanna do, just remember I love you and name it after me."**

She went to Gaston County police about two weeks ago and they contacted the district attorney. He asked the SBI to investigate.

"I did meet with him. I told him how bad he broke my heart. How he betrayed my family," the mother said.

She said Blair had inappropriate contact with her daughter at his home and in his patrol car, and told Channel 9 that he confessed to her.

"He told me he took her virginity. He told me it was his baby. He told me things happened and he said he was so sorry. And he kept saying, 'Please forgive him,'" she said.

She said then Blair asked her to do something that she considered unimaginable.

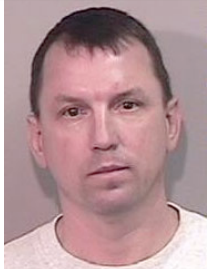

"Get rid of the baby or I've lost my life. I've lost my life." How do I kill a baby? I don't kill no baby. I don't believe in abortion," the mother said.

Blair has been on medical leave for the past 80 days, which started before the investigation began.

The girl's mother said she may not have known what was going on if she didn't read it on her phone.

The charges were filed Friday, the jail confirmed.

"He was a really nice guy. I don't guess you can judge people by that," Tennessee Ridge Mayor Stony Odom said Friday night. "I just hate it. The whole city does. This just doesn't happen in our community. Not in Tennessee Ridge."

Adams was the city judge of Tennessee Ridge for more than 20 years, and also served as the city recorder, Odom said.

NYPD officer had more than 60 child porn pictures when he was arrested: prosecutors

An NYPD officer was busted for kiddie porn at his home in Westchester County on Thursday, police said.

John Telesca had at least 60 pictures of naked children between the ages of 8 and 13-years-old on his “digital devices” according to the Westchester County district attorney’s office.

Our “This takes the cake” Predator Law Enforcement Officer **WHO WOULDN’T TRUST THE CHIEF OF POLICE?**

Meet the now- convicted Spearsville Louisiana POLICE CHIEF Steve Bodine:

“Bodine was accused in the rape of a 4-year-old child and witnesses testified that through the years he had raped children ranging from 4 to 14 years old.

Three of the five victims drove hours to get the opportunity to testify against the defendant, Belton said. One of the victims was just a child when she was molested at a day care center in Arkansas operated by Bodine and his wife.

**Testimony revealed that the defendant had been having sexual relations with children for
40 years.”**

He is far from the only one. Check out our website to see the list of other pedophile law enforcement agents, judges, prosecutors and other pillars of the community..

There are so many more additions to this list of predator, pedophile law enforcement agents- and one of these days I will update this list. Between this list and the cops who beat and kill their wives and families and who rape and murder sex workers, updating the lists is a full time job.

Spearsville Police Chief Steve

As I said, it is a full time job just to keep up with the many new cases which are added almost daily- when cops get caught. Most continue their predation for years - sometimes decades- before their actions are discovered. States Attorneys General wrote the letter to the Village Voice and backpage.com demanding that they shut down the adult ads to protect children. The actual quote from their letter is this *"We have tracked more than 50 instances, in 22 states over three years, of charges filed against those trafficking or attempting to traffic minors on Backpage.com. These are only the stories that made it into the news; many more instances likely exist..."* to which we say, the same is true of the number of cases of cops and other law enforcement agents who have sexually exploited children.

A child is not likely to want to report their sexual exploitation at the hands of a trusted member of law enforcement to another member of law enforcement...
