Fond du Lac County prosecutors filed charges Friday against a part-time Green Lake County sheriff's deputy suspected of having illegal sexual contact with a child, according to Fond du Lac County court records.

Ryan Ronayne, 25, faces two felony charges: one of sexual assault of a child by a person who works with children and one of child enticement, the records show.

Green Lake County authorities said they hired Ronayne as a part-time deputy assigned to summer boat patrol, and that Ronayne resigned from the position July 28.

Mark Putzke, chief deputy sheriff of Green Lake County, said in a press release that the department would not be commenting on Ronayne's time with the department or the criminal charges.

Although Ronayne worked in Green Lake County, the home address listed for him in court records is in Fond du Lac County, where the charges were filed.

A preliminary hearing is scheduled for Sept. 4.
