MUSKOGEE, Oklahoma - A Muskogee County juvenile detention officer is in jail charged with one count of lewd molestation and two counts of harboring a runaway.

Nancy Scrapper, 37, was charged this week following an incident in late July, when authorities went to her home looking for two runaway teenage boys.

Picture of Nancy Scrapper.

The two teens, ages 13 and 15, were reported missing from their foster home in mid-July.

According to a probable cause affidavit, both teens were found in a bedroom of Scrapper's home. The affidavit says while the teens were at her home, a photo of Scrapper and the 15-year-old allegedly kissing was sent to an Oklahoma Department of Human Services employee.

Nancy Scrapper remains in the county jail on a \$100,000 bond. Her next court hearing is set for September 27.

i dont know where ch 6 got this news item. there is not one inch of it that is the truth. 2 juvies ran away from foster homes due to abuse by the foster parent. this woman kept those girls safe and off the street and they wouldnt have had to **** every 'tom' that came along. she wasnt hiding those girls. therefore channel 6 news department if i were you i would get the facts before you publish something that isnt true. she did work at the jail in muskogee and she knows about what went on when that man got beat to a pulp while he was in jail there and knows about all the cover ups that went on there. i would say that the sheriff and 'others' want this woman out of the way.

Pepper124 obviously you must slam a bible on the pulpit that I haven't read. The bible that I read doesn't say anything about the liberals winning and all of us going to hell. I am simply astounded by your bigoted comments on both the religious level and also color. people like you need to reread the bible and kick yourselves in the butt. Jesus welcomed EVERYONE into his arms not just christians if he didn't he would NOT have converted anyone to his beliefs...now on the story, it doesn't surprise me that Muskogee County is where this happened. I do not condone such behavior in
