An NYPD officer was busted for kiddie porn at his home in Westchester County on Thursday, police said.

John Telesca had at least 60 pictures of naked children between the ages

of 8 and 13-years-old on his "digital devices" according to the Westchester County district attorney's office.

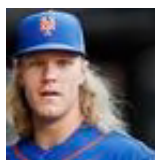

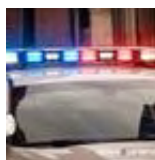

Telesca, 38, also allegedly shared the disturbing photos by email. He is charged with promoting an obscene sexual performance by a child and possessing an obscene sexual performance by a child, the DA said.

The six-year veteran was nabbed at his Port Chester home, arraigned in village court and released on \$5,000 bail.

He is assigned to a precinct in the Bronx and has been suspended without pay, the NYPD said.
